MEMORANDUM CIRCULAR NO. 2019-001**

FOR: ALL CONCERNED

RE: ESTIMATED VALUE OF STORAGE DEVICES

Pursuant to Board Resolution No. 2019-01-04 and the powers and functions of the OMB under Section 10, subsection (a) and (c) of R.A. 9239 relative to the formulation of policies and granting and/or renewal of licenses, the following are hereby promulgated:

This Memorandum serves to provide guidelines for reporting and valuation of the output of inspection operations conducted nationwide.

1. Once an inspection operation is conducted, an inventory of seized items shall be taken by agents of the Enforcement and Investigation Division (EID).
2. Separate inventories shall be taken of optical discs and storage devices.
3. The inventory of storage devices shall be cross-referenced with the estimated value table based on type of storage device and the size thereof. This, in turn shall be the basis of output reports to be submitted by the EID. This valuation is based on the current prevailing market values.
4. The following shall be the estimated values of storage devices to be used by the EID for purposes of uniformity.
5. This Circular shall by no means prescribe the retail price nor dictate the prevailing market price of the items as described herein.
6. The values as set herein may be adjusted by Optical Media Board as may be necessary.
